INVITATION: 3rd WEBINAR SEA4cities

Venue: Thursday 20th June 2019, 15h-16h30

The SEA4cities team invites you to join the third edition of it webinar series scheduled for Thursday 20 June 2019, from 3:00 pm (GMT). This edition will be an opportunity to discuss the thematic: "***Promoting sustainable energy (SDG7): challenges and opportunities for cities and villages in Senegal***", and to renew the collaboration between SEA4cities and its various partners.

A logistic note on how to join the webinar is annexed to this document.

Agenda:

1. Welcome and presentation of the SEA4cities webinar concept (moderator)
2. Presentation of the SEA4cities project and achievements (SEA4cities coordinators)
3. Keynote presentation of the webinar thematic: "***Promoting Sustainable Energy (SDG7): challenges and opportunities for cities and villages in Senegal***" (presented by Dr. Daniel VIDAL)
4. Questions and answers on the presentations (e-panel)
5. Online evaluation of the webinar (moderator)
6. Closing remarks and word of thanks (SEA4cities coordinators)

NOTES ON LOGISTIC

Access to the webinar is via the Dashboard of the SEA4cities project: https://sea4cities.ept.sn/en/

After connecting to the Dashboard, a "**Join the webinar**" link is available in the "Chat" section of the Dashboard.

Click on this link will direct you to the Webinar platform.

It is recommended to have the Firefox browser to access this platform (the Google Chrome browser features plugins configuration problems).

It is also recommended to have the latest version of Java to have the best experience of audio and video quality. The installation of Java is proposed automatically as soon as you connect to the platform.

NB: The IT focal point of the project will be available one (1) hour before the webinar, to perform the connection tests, and to check the logistics aspects.
