Appear in practice 9: Organic Agriculture in Action

15th May 2018

Challenges

Motivation/impact -> Codevelopment

Team Communication reporting implementation -> Soft skill dev. Experienced partners

dif. Starting points (academic + social welfare) -> providing services within project

Mutual understanding -> preparatory funding

on line participation -> Excursions (cultural), personalise responsibilities, acceptance of failure, realization of budget

visibility of impact/outcomes -> Communication training extension programs

delay of financial reports -> templates, clear needs defined, informal meetings to get info on funding body
