There will be no transfer organised to the hotel – you can arrive by train/taxi.

The arrival to our beautiful location starts at the main train station of the town called “Kreams/Donau” (or “Kreams an der Donau”). From the main train station, there is still about 2 kilometres to the hotel (partly uphill). If you’re going on foot, it will take about 30 minutes – a nice refreshing walk with remarkable views. You can also take a taxi, it should cost about 10€ from the Kreams train station to the hotel.
