EURASIA-PACIFIC
UNINET

EURASIA-PACIFIC UNINET (EPU)

is a university network, founded in the year 2000, which aims at initiating research activities as well as at establishing contacts and scientific partnerships between Austrian universities (including Austrian universities of applied sciences and other Austrian research institutions) and its member institutions in East Asia, Central Asia, South Asia and the Pacific region.

EPU objectives

EPU supports interdisciplinary scientific exchange between its member institutions through:

- Scholarships for Post-Docs and PhD students
- Visiting professorships
- Funding for scientific projects between Austrian and foreign researchers from EPU member institutions
- Maintaining continuous dialogue between researchers of EPU member institutions

Summer courses & practical trainings supported by EPU

- Chinese-Austrian-EU Summer School
- China Know-How Summer School
- International Summer University St. Petersburg
- Clinical elective student exchange programme (Austria-China)
- Sino-Austrian Summer School on Chinese Herbal Medicine
- Summer School on Cultural Heritage Conservation (Austria-India)

How to become a member?

- Expression of interest in a long-term international scientific cooperation confirmed by the rectors of both the Asian and the Austrian university
- Approval of admission by the EPU network president and the EPU board of trustees
- Signing of the network declaration
- Payment of the annual membership fee

EPU – Joint Research Centres

As a result of numerous scientific activities several joint research centres have been established since the year 2000. These research centres serve

as a platform for interaction and joint research between scientists of various EPU partner institutions. All centres are open to Austrian scientists

during their research visits in China, Mongolia and Kyrgyzstan.

China

- Sino-Austrian Centre for Media and Marketing, Shanghai
- Austrian-Chinese Centre for Biomarker Discovery / Beijing University Health Science Centre, Beijing

- Austria-China Research Centre for Environmental Protection, Northwest A&F University, Yangling
- Sino-Austrian Collaborating Centre for Chinese Medical Sciences, China Academy of Chinese Medical Sciences, Beijing
- Austria-China Research Centre on Tunnel and Underground Engineering, Tongji University, Shanghai
- China-Austria Research and Innovation Centre in Logistics, Information Flow, Supply Chain Management and Material Flow, Beijing
- Sino-Austrian Diagnosis, Treatment and Research Centre of Cardiovascular Diseases, Nanjing
- Cooperation Office at Inner Mongolia University for the Nationalities, Tongliao, Inner Mongolia

Mongolia

- Austrian Centre at the Mongolian State University of Science and Technology, Ulaanbaatar, Mongolia
