---

<sup>4</sup> For trips up to seven hours bus and train shall be used. If travelling by car you will get a transport subsidy (Beförderungszuschuss).

<sup>5</sup> Only project-specific material costs will be reimbursed, that are essential to carry out the research project and that go beyond the resources made available from the research institution's infrastructure. Infrastructure or basic equipment of research institutions cannot be funded.

<sup>6</sup> In order to receive the additional points in the evaluation the academic status (early-stage researchers, PhD/doctoral students) must be clearly mentioned.

### Evaluation criteria:

- **Scientific quality** of the proposed research project incl.
  - Feasibility of the joint research plan
  - Adequacy of the scientific method
  - Qualification of the scientists/research teams involved **(max. 25 points)**
  
- Perspective for **further joint cooperation activities** **(max. 15 points)**
  
- Project applications will receive up to 10 points additionally,
  - Either if **submitted by early-stage researchers<sup>2</sup>** (+10 points)
  - Or if **involving doctoral students/early-stage researchers<sup>2</sup>** (+5 points) and/or **female researchers** (+5 points) **(max. 10 points)**

Maximum score: 50 points

### Funding decision

Based on national evaluations in Austria and in France, a joint shortlist will be prepared. The **funding decision** will be taken by the Austrian-French Joint Commission on Scientific and Technological Cooperation and **announced presumably by** December 2022.

### Reporting and publications

**Scientific and financial reporting on the project is obligatory:**

- **Brief project progress report after one year** via the OeAD online tool as a precondition for further funding!
- **Final scientific and financial report** no more than 3 months after the end of the project incl.:
  - Output of the projects compared with the objectives and aims of the application
  - Short, concise summary comprehensible to lay persons<sup>7</sup>

Joint publications resulting from these cooperation projects have to mention the support from the Austrian Federal Ministry of Education, Science and Research and the French Ministry for Europe and Foreign Affairs and the French Ministry of Higher Education, Research and Innovation.

### Intellectual property

The project partners must take adequate steps to ensure protection and sharing of the intellectual property that could result from the joint projects.

### Closing date for applications

Applications must be submitted before **1 April 2022, 12:00 noon** to be eligible for funding.
