Привіт
ukraine
Focus: Quality development
Example: LEADERSHIP AND MANAGEMENT SKILLS FOR QUALITY ASSURANCE AT CLUSTER SCHOOLS
In the course of ongoing educational reforms in Ukraine school autonomy has been expanded and small schools in rural areas have been merged into school clusters in order to support quality education for pupils in rural regions of Ukraine. The project aims to contribute to quality development in school clusters by building leadership and change management competences of their school management teams.

Focus: Inclusive education
Example: INCLUSIVE EDUCATION IN THE ODESSA REGION
The "New Ukrainian School" provides for inclusive education and individualized educational pathways in a new educational environment. The project focuses on the interface between the newly established Inclusive Resource Centres (IRC) and the schools and develops the competencies of the Academy for Lifelong Learning Odessa to offer the necessary professional development measures for teachers, head teachers and IRC staff.

Promotion of cooperation between educational institutions in Austria and in Eastern and South-Eastern Europe to sustainably support educational reforms in the pre-university sector.

Learning from each other between education systems at the interface between developments in education at national level and at EU level.

With Eastern and South-Eastern Europe in the pre-university sector

Promotion of cooperation between educational institutions in Austria and in Eastern and South-Eastern Europe to sustainably support educational reforms in the pre-university sector.

Learning from each other between education systems at the interface between developments in education at national level and at EU level.
Transnational cooperation supports institutional capacity development. Stays abroad contribute to personal competence building and strengthen the innovative capacity of institutions and entire education systems.

**Erasmus**

Erasmus+ supports internationalisation and modernisation in higher education as well as intensified academic cooperation through mobility and cooperation projects with partner countries worldwide.

**Higher education cooperation and mobility**
We provide advice to institutions, support international exchange and promote Austria’s positioning in higher education and research.

+ Providing information about the scholarship programmes of the OeAD as well as about summer schools and summer courses in Austria.
+ Facilitation and development of cooperation in education and research between university departments and academic institutions in Ukraine and scientific institutions in Austria.
+ Initial help in the planning and carrying out of joint university education and research projects.
+ Coordination of the work of Austrian lecturers at Ukrainian universities (Kiev, Kharkiv, Lviv).
The OeAD advises, supports and connects people and institutions in education, science, research and culture with its future-oriented programmes. As an agency of the Republic of Austria the OeAD thus contributes to inclusive, equal and high-quality education.

European and international exchange as well as transnational mobility serve as the agency’s most important tools.

**THE OeAD**

Agency for Education and Internationalisation

Internationalisation and the support for transnational cooperation and mobility associated with it are valuable aspects in education, science and research. High-quality education, science and research need an international orientation.
