Scholarships and grants for Austria

The OeAD offers grants and scholarships to students and researchers from all over the world. Our programmes range from grants aimed at broad target groups to more specific ones aimed at applicants from particular fields of study or regions.

This folder focuses on three programmes open for worldwide application:

- The Ernst Mach grants as well as the Franz Werfel and Richard Plaschka grant allow students and researchers from universities outside Austria to conduct research or study abroad programmes at an Austrian university or research institution. These programmes are funded by the Austrian Federal Ministry of Science, Research and Economy (BMWFW).

Please consult our online database www.grants.at for further information about all OeAD grant programmes and other scholarships available in Austria.

- CEEPUS Central European Exchange Programme for University Studies
- Bilateral-Action Grants Czech Republic, Slovakia and Hungary
- Scholarship of the Scholarship Foundation of the Republic of Austria
- Ernst Mach-Grant - ASEA-Uninet
- Ernst Mach-Grant - Eurasia-Pacific-Uninet

### Ernst Mach Grant – worldwide

The Ernst Mach Grant worldwide is open for applications from these target groups:

- PhD students currently enrolled at a university outside Austria,
- Postgraduates and postdocs with a degree from a university outside Austria wishing to advance their scientific career,
- Postdoctoral lecturers currently employed at a university outside Austria.

Franz Werfel Fellowship

Franz Werfel, who was born in Prague in 1890 and died in California in 1945, is one of the most famous representatives of Austrian literature. The Franz Werfel Fellowship is therefore aimed at young university lecturers with a research focus on Austrian literature.

Fellows can work as visiting researchers at university departments and do research in libraries, archives or at research institutions. Fellows can apply for the follow-up programme once they have completed twelve months of their fellowship.

Field of study
German language and literature, focus on Austrian literature

Duration
4 to 9 months, may be extended to 18 months

Grant amount
1,150 €/month Postdocs: mobility subsidy € 600/month*

Application deadline
March 1, September 15

Where to apply
online at www.grants.at

Funding agency
Österr. Aust. Ausbildungsfonds GmbH on behalf of and financed by the Federal Ministry of Science, Research and Economy (BMWFW)

Target group
Postgraduates Postdocs Researchers

Richard Plaschka Fellowship

The Richard Plaschka Fellowship is open to applications from university lecturers from the field of historical sciences and a focus on Austrian history. Fellows can work as visiting researchers at university departments and do research in libraries, archives or at research institutions. Fellows can apply for the follow-up programme once they have completed twelve months of their fellowship.

Field of study
Historical sciences, focus on Austrian history
