- Access to **EURAXESS portals of other countries**
- Contact details of **EURAXESS Service Centres**

Welcome to **EURAXESS Austria**, a joint initiative of the

- Austrian Federal Ministry of Science, Research and Economy (BMWFW)
- Austrian Agency for International Cooperation in Education and Research (OeAD-GmbH)
- Austrian Research Promotion Agency – Division for European and International Programmes (FFG-EIP)
- numerous universities, universities of applied sciences, research institutions as well as dual career and information services across Austria

EURAXESS Austria represents

a national extension of the ›**EURAXESS – Researchers in Motion**‹ web portal, which is an initiative of the European Commission and the countries participating in HORIZON 2020.

The purpose of this initiative is to create a more favourable environment for career development opportunities for researchers by implementing an open labour market for researchers as proposed in the Communication ›**A Reinforced European Research Area Partnership for Excellence and Growth**‹.*

The Austrian network of **EURAXESS Services:**

- **Austrian Agency for International Cooperation in Education and Research (OeAD-GmbH)**
info@oead.at, www.oead.at

The OeAD-GmbH is the Service Centre for detailed questions concerning entry, residency and work permits as well as for the Austrian Database for Scholarships and Research Grants.
www.grants.at

- **Austrian Research Promotion Agency (FFG)**
research_career_eu@ffg.at, www.ffg.at

The FFG is responsible for detailed information concerning social security and taxation.

In addition, a number of Austrian universities, universities of applied sciences and research institutions as well as regional consultancy and information offices provide support for regional and practical requests.

Contact persons and addresses of EURAXESS Service Centres can be found on www.euraxess.at within the section ›Information & Assistance‹.

›EURAXESS – Researchers in Motion‹ encompasses the following areas:

- **Information & Assistance**
Support for researchers and their families in organising their stay in a foreign country
- **Partnering**
Connecting individual researchers and organisations to facilitate collaboration
- **Science4Refugees**
Internships, part-time and full-time jobs, access to the European Research Community and research buddies for refugee researchers and students
- **EURAXESS Worldwide**
A networking tool for European researchers working outside Europe (ASEAN, Brazil, China, India, Japan, North America)

www.ec.europa.eu/euraxess

Possibilities offered by **EURAXESS**

EURAXESS offers a database with job vacancies and funding opportunities for researchers throughout Europe, informs on initiatives concerning the rights and duties of researchers and their employers (European Charter & Code) and keeps you up to date on support regarding career development of researchers. EURAXESS Jobs also allows researchers to post their CV online.

Companies, universities and research organisations can post vacancies and search actively for research personnel and the CVs of international researchers.

All services are free of charge.
