# OeAD Alumni Talks

**Muhammed Umer Saleem**

**How mathematic modelling can be used in Medicine**

Monday, 4 November 2019, 17:30

TU Graz, Hörsaal E3.1, Petersgasse 10-12, EG, 8010 Graz

In this Alumni Talks Muhammad Umer Saleem will share his personal and professional experiences during and after his PhD Study in Graz. He will talk about his research project, career and development and will share his experiences as an Assistant Professor of Mathematics and as Director Student Affairs & Director Sports at the University of Education, Lahore, Pakistan.

The talk and discussion is followed by a short Meet & Greet session. Afterwards you are invited to socialize over food and drinks.

## **Introduction**

Katharina Engel, OeAD

**Muhammad Umer Saleem** has completed his PhD studies at the University of Graz, Austria. Since August 2019 he is at the University of Graz for a short term research stay within the Ernst Mach Follow-up Grant. His research activities focus on mathematical modelling in physiological systems and their control. Currently he is working on the “Fully Automatic Artificial Pancreas”.
