Focus: Vocational education
and training

Example: "AL-VET – QUALITY FOR ALL" - FLAGSHIP PROJECT OF THE CITY OF VIENNA

The aim of "AL-VET – Quality for ALL" is to improve the labour market relevance, quality and social inclusiveness of initial vocational education and training with a specific focus on the sectors tourism, hotel and catering and IT.

In close cooperation with relevant stakeholders "AL-VET – Quality for ALL" will support the professional development of head teachers, teachers, quality coordinators and business liaison officers at VET provider level, facilitate the update of occupational standards, qualification standards and curricula as well as the development of teaching/ learning materials. "AL-VET – Quality for ALL" is funded by the City of Vienna and implemented and co-funded by the OeAD.

Focus: Vocational education
and training

Example: REGIONAL PROJECT SCHOOL MEETS BUSINESS (SMB) IN ALBANIA, KOSOVO AND NORTH MACEDONIA

The aim of SmB is to strengthen the competence of VET schools for professional cooperation with the business sector, especially in the organisation of different formats of in-company learning. The focus is on introducing business liaison officers at schools as competent interfaces between schools and businesses. The project is implemented in close cooperation with the ministries responsible for vocational education and training, vocational training agencies, VET schools and companies.

THE OeAD

Agency for Education and Internationalisation

The OeAD advises, supports and connects people and institutions in education, science, research and culture with its future-oriented programmes.

As an agency of the Republic of Austria the OeAD thus contributes to inclusive, equal and high-quality education.

European and international exchange as well as transnational mobility serve as the agency's most important tools.

Internationalisation and the support for transnational cooperation and mobility associated with it are valuable aspects in education, science and research. High-quality education, science and research need an international orientation.
