Eurasia-PACIFIC uninet

The Eurasia-Pacific Uninet vision is to provide the platform for academic cooperation between Austria and partner institutions in the Eurasia-Pacific regions. We develop and strengthen ties within this network to support excellence, equality and sustainability, and to serve as a best practice model for international collaboration.

- Eurasia-Pacific Uninet provides a communication framework to develop joint proposals in research and education, mobility schemes and sharing of insights through publications and conferences.
- Austrian higher education institutions through Eurasia-Pacific Uninet welcome partners from major world regions: East Asia, Central Asia - Caucasus, South Asia - Pacific
