Project QUATRA: PLA on Learning Outcomes

Review: QUATRA - PLA on Learning Outcomes

May 2, 2023 | #Europäischer Hochschulraum #Hochschule

The Peer Learning activity “**How are learning outcomes perceived, transmitted, and implemented in daily practice of higher Education Institutions?**” in Vienna was devoted to learning outcomes, which is one of the transparency tools of the Bologna Process that reach far into the lecture halls. During the peer learning activity, ideas and best practices were exchanged on several issues. These included:

- Designing Learning Outcomes – policy, process and practice
- Who designs learning Outcomes (at Module / study programme level), and how?
- Breaking LOs down to teaching practice – how to introduce HE faculty to LO
- Hands-on examples of writing (intended) learning Outcomes
- Cases in selected countries

The PLA on Learning Outcomes was specifically targeted towards members of the BFUG Thematic Peer Group A on Qualifications Framework and welcomed 52 persons from 20 countries including Austria, Albania, Andorra,

About OeAD, Austria's Agency for Education and Internationalisation...

The screenshot shows the OeAD website homepage. At the top is a dark blue navigation bar with links: OeAD Portal, News, Events, Newsletter, Social Media, Press, Career, and Contacts. Below this is a white header with the OeAD logo on the left and a menu of dropdown categories: TO AUSTRIA, OUTGOING, SCHOOL, EXPERTISE, COOPERATIONS, and THE OeAD. The main content area features a large image of a woman in a red shirt performing a handstand. To the right of the image is a red box with the text 'grants.at' and a description: 'Austrian Database for Scholarships and Research Grants. It provides students, graduates and researchers information on scholarships and grants.' Below the image and text is a section titled 'OeAD – Agency for Education and Internationalisation' with a welcome message. At the bottom right of the screenshot are two circular logos: 'INFOPOINT Ukraine' and 'INFOPOINT entry and residence'.
