

## INternationalisation/INclusion/INnovation: Towards high-quality inclusive mobility and innovative teaching & learning in an internationalised Austrian Higher Education Area (Acronym 3-IN-AT)

**3-IN-AT-PLUS** 2022-2024 is already the fourth project of the Austrian Federal Ministry of Education, Science and Research (BMBWF), Unit IV/11 to support the implementation of the European Higher Education Area (EHEA) in Austria and internationally. For three years, the project will contribute to realizing the vision of an „**inclusive, innovative and interconnected EHEA**” on a national and international level. 3-IN-AT-PLUS' outputs will be disseminated by newsletters of the OeAD and through the national BFUG and they will feed into the working structures of the European BFUG.
