OeAD Alumni Talks

Basanta Raj Adhikari, Nepal

How does climate change impact the Himalayas? Experiences from Nepal

Thursday, 11 April 2019, 17:00

OeAD, Ebendorferstraße 7, 1010 Vienna

In this Alumni Talks our former scholarship holder Basanta Raj Adhikari will share his personal and professional experiences during and after his stay in Austria. Basanta will reflect on his PhD studies at University of Vienna and about his research which is mainly focused on Himalayan geology and adjacent region emphasizing on disaster risk reduction and management.

Introduction

Elke Stinnig, OeAD

The talk and discussion is followed by a short Meet & Greet session. Afterwards you are invited to socialize with Nepalese food and drinks.

Basanta Raj Adhikari holds a PhD degree in Geology from the University of Vienna. Currently he is working as an assistant professor in the Civil Engineering Department, Institute of Engineering, Tribhuvan University, Nepal. Basanta has received the "Young Affiliates Award" by the World Academy of Sciences - TWAS in November 2018. He received this prestigious award for his outstanding contribution in the field of natural science.
